OVERVIEW PRESENTATION

FIRST WHO GLOBAL MINISTERIAL CONFERENCE

ENDING TUBERCULOSIS IN THE SUSTAINABLE DEVELOPMENT ERA: A MULTISECTORAL RESPONSE

16 - 17 NOVEMBER 2017, MOSCOW, RUSSIAN FEDERATION
Tuberculosis is the leading infectious killer

**KEY TB FACTS**

- **1.8 MILLION TB DEATHS** including 0.4 MILLION TB deaths among people with HIV*
  - TB was one of the top ten causes of death worldwide
  - TB was responsible for more deaths than HIV and malaria

- MDR-TB crisis with gaps in detection and treatment
  - Only 1 in 5 needing MDR-TB treatment were enrolled on it

- Funding shortfall for TB implementation
  - Gap of over US$1 billion per year for TB research

Current actions and investments are **falling far short**
The WHO Global Ministerial Conference “Ending TB in the Sustainable Development Era: A Multisectoral Response” aims to accelerate implementation of the WHO End TB Strategy - with immediate action addressing gaps in access to care and the MDR-TB crisis - in order to reach the End TB targets set by the World Health Assembly and the United Nations (UN) Sustainable Development Goals (SDGs) through national and global commitments, deliverables and accountability. The Ministerial Conference will inform the UN General Assembly High-Level Meeting on TB in 2018.
FIRST WHO GLOBAL MINISTERIAL CONFERENCE
ENDING TB IN THE SUSTAINABLE DEVELOPMENT ERA: A MULTISECTORAL RESPONSE

Top outcome areas and thematic tracks

**EIGHT THEMATIC TRACKS**
Based on the SDG agenda and the UNGA high level health themes

Bilateral discussions and consultations with all key partners

*Partners Group Consultation held on 21 May 2017*
Decision by the UN General Assembly for a High-Level Meeting on TB in 2018

UNITED NATIONS GENERAL ASSEMBLY RESOLUTION A/RES/71/159 - 15 DECEMBER 2016

Global health and foreign policy: Health Employment and Economic Growth

The General Assembly, (...

21. Takes note of the initiative to hold, in Moscow in November 2017, a global ministerial conference on the fight against tuberculosis in the context of public health and the Sustainable Development Goals;

22. Decides to hold a high-level meeting in 2018 on the fight against tuberculosis, and requests the Secretary-General, in close collaboration with the Director-General of the World Health Organization and in consultation with Member States, as appropriate, to propose options and modalities for the conduct of such a meeting, including potential deliverables, building on existing efforts in this regard;
