

Welcome to the **Ethics Forum on Pandemic Influenza**, one of the **ECS** (*exchange, share & communicate*) virtual communities at WHO.

To access the **Member's Log-in Page**, please click on the following link: **<http://ecs.edgeof.net/EIPIP/>**

To request **information**, please send an **e-mail** to: **ethicsforum@who.int**

In the Forum you will find:

a **library** of documents related to the WHO project on: "Addressing Ethical Issues in Pandemic Influenza Planning";

discussions focused on the topics and recommendations of the four Working Groups of the consultation, as well as on cross-cutting issues;

related **announcements**;

a detailed list of **contacts**; and

a **calendar** of events.

The four working groups of the Forum are focused on the following topics:

Working Group One:

Equitable access to therapeutic and prophylactic measures

Working Group Two:

Isolation, quarantine, border control and social-distancing measures

Working Group Three:

The role and obligations of health-care workers during an outbreak of pandemic influenza

Working Group Four:

Issues that arise between governments when developing a multilateral response to a potential outbreak of pandemic influenza and the ethical standards for WHO
