

**WHO's work on gender, women & health: 2010-11 with carry-over funds**  
**Total budget 5.3M (US\$M)**

as at Feb 2010

**Funding gap breakdown by departmental strategic objective:**

1. Accelerate progress in the implementation of the WHO gender strategy and WHO resolution WHA60.25 in WHO and in countries
2. Provide technical leadership to advance the knowledge and the application of norms and standards
3. Define a strategic focus and agenda for improving women's health in collaboration with a range of stakeholders and partners

\*Data does not include funds sent to regions.

\*\*Data includes carry over and interest per contributor.
