MONTHS DEPLOYED IN 2016

From 1 January to 30 June 2016, WHO’s Standby Partners deployed 122 months of personnel support to 13 WHO offices across 7 profiles for the emergency work of WHO and the Health Cluster. The calculated value of this support to WHO is US$1.8 million.

Of the 122 months of support, 34 months were from deployment requests filled in 2016, and 88 months were from deployments carried over from 2015.

Standby Partnership deployments supported four WHO Grade 3 emergencies (Iraq, South Sudan, Syria Regional Response, Yemen), three WHO Grade 2 emergencies (Ethiopia, Libya, Nigeria), as well as other graded and protracted emergencies.

DFID funded 21 months of support through WHO’s Standby Partners.
DEPLOYMENT REQUESTS RECEIVED IN 2016

From 1 January to 30 June 2016, WHO received 19 deployment requests from 11 WHO offices across 5 profiles. As at 30 June 2016, 16 of the 19 (84%) deployments requests were filled.

- **Cancelled** refers to the one deployment request which was withdrawn from the requesting WHO office due to an alternative surge solution being found.
- **Not filled** refers to the one deployment request that Standby Partners were unable to find a candidate for: Communications officer for WHO’s Gaziantep Office in Turkey.
- **Vacant** refers to the one deployment request which is still being worked on: Communications officer for WHO’s Somalia Country Office.
