## IDA HIV/AIDS Group

The world's leading not-for-profit supplier of affordable HIV/AIDS-related medicines and medical supplies.

### We are

- Dedicated to increase the availability of high-quality, affordable products for diagnosis and treatment of HIV/AIDS.
- A 100% subsidiary of IDA Foundation.
- Experienced in providing ARVs for small and large scale projects in Africa, Asia, Latin America and Eastern Europe.

### We offer

- Quality Assurance, including quality control monitoring and analysis of the final product.
- WHO-prequalified & US-FDA tentatively approved products.
- Access to Clinton pricing.
- Generic ARV medicines from Cipla, Aurobindo, Ranbaxy and Aspen.
- Originator ARVs from GSK, BMS, Boehringer Ingelheim, Gilead, Abbott, MSD and Roche.
- Assistance with registration, patent issues, funding guidelines and logistics.
- Delivery times of approximately 8-10 weeks; this may vary according to quantities and source.

### How to order

Prices are indicative and depend on volume, destination and specific sources. Listed prices are in US \$, EXW (Ex Works, INCO Term 2000).

\* *Consérvese frío. Se harán recomendaciones acerca de la recolección y transporte del producto.*

\* *Хранить в холодном месте. Рекомендации по хранению прилагаются.*

## IDA HIV/AIDS Group

*Le plus grand fournisseur à but non lucratif de médicaments et de consommables médicaux abordables liés au VIH/SIDA dans le monde.*

### Nous sommes

- Dévoués à l'accroissement de la disponibilité de produits de haute qualité, abordables pour le dépistage et le traitement du VIH/SIDA.
- Une filiale à 100% de IDA Foundation.
- Avec une grande expérience dans l'approvisionnement d'ARV pour des projets à grande et petite échelle en Afrique, Asie, Amérique latine et Europe de l'Est.

### Nous offrons

- Une Assurance Qualité: par un suivi des contrôles et analyses des produits finis.
- Des produits préqualifiés OMS & approuvés provisoirement US-FDA.
- Un accès aux prix de la Clinton HIV/AIDS Initiative.
- Des médicaments ARV génériques de Cipla, Aurobindo, Ranbaxy et Aspen.
- Des ARV originaux de GSK, BMS, Boehringer Ingelheim, Gilead, Abbott, MSD et Roche.
- Une assistance pour l'enregistrement, les brevets, les directives de financement et la logistique.
- Des délais de livraison d'environ 8-10 semaines ; ces délais sont susceptibles de varier en fonction des quantités et des sources d'approvisionnement.

### Comment commander

Les prix sont donnés à titre indicatif et varient selon les quantités, la destination et les sources d'approvisionnement. Les prix mentionnés sont en US \$, EXW (Ex Works, INCO Term 2000).

## IDA HIV/AIDS Group

*Имеет мировое лидерство по некоммерческим поставкам лекарств и медицинских принадлежностей по доступным ценам для лечения ВИЧ/СПИД и связанных с ними заболеваний.*

### О себе

- Наша цель – увеличить доступность высококачественных, недорогих препаратов для диагностирования и лечения ВИЧ/СПИД.
- 100% дочернее подразделение IDA Foundation.
- Имеем опыт обеспечения препаратами антиретровирусал (ARVs) для программ небольшого и крупного масштабов в Африке, Азии, Латинской Америке и Восточной Европе.

### Мы предлагаем

- Гарантию качества, включая мониторинг контроля качества и анализ конечного продукта.
- Одобрённые ВОЗ и допущенные FDA (США) испытываемые препараты.
- Доступ к ценам инициативы Клинтон.
- Генерические АРВ-препараты производителей Cipla, Aurobindo, Ranbaxy и Aspen.
- Фирменные препараты антиретровирусал (ARVs) от производителей GSK, BMS, Boehringer Ingelheim, Gilead, Abbott, MSD и Roche.
- Помощь при регистрации, вопросах о получении патента, руководству к получению финансирования и логистике.
- Срок доставки – приблизительно 8 -10 недель, может варьироваться в зависимости от количества и поставщика.

### Порядок оформления заказа

Цены ориентировочные и зависят от объема, места доставки и особых поставщиков. Упомянутые цены указаны в долларах США, EXW (Ex Works, INCO Term 2000).
