COME AND JOIN
LAUNCH OF THE WHO GUIDELINES
FOR HEPATITIS C TREATMENT: EVIDENCE,
RECOMMENDATIONS, AND IMPLICATIONS

07:30 – 08:30, Thursday, 10 April 2014
The International Liver Congress 2014, Capital Suite 15-16,
London Excel, United Kingdom
April 9-13, 2014

SPEAKERS:

Dr Stefan Wiktor, World Health Organization, Geneva
Summary of the WHO hepatitis C treatment guidelines recommendations

Dr Joseph Doyle, Burnet Institute, Melbourne
What is the evidence base for the WHO hepatitis C treatment guidelines recommendations?

Dr Isabelle Andrieux-Meyer, Médecins Sans Frontières, Zurich
What do the WHO hepatitis C treatment guidelines mean for treatment scale-up in resource-poor countries?

Mr Charles Gore, World Hepatitis Alliance, Geneva
Treatment recommendations and access to treatment: a patient’s perspective

The WHO guidelines for the screening, care and treatment of persons with hepatitis C infection will be disseminated, and the media and journalists will be invited to a press conference following the satellite session.
