

# GERMANY

---

Updates at the end of the text cover the period through 30 June 2003.

Total population in 1995: 81 922 000

Number of physicians per 100 000 population (1993): 319

Number of medical schools: 39

Duration of basic medical degree course, including practical training: 6 or 6.5 years (a further 1.5 years of practical training is required before the degree is awarded)

Title of degree awarded: Staatsexamen und Arzt im Praktikum (State examination and completion of compulsory practical training)

Medical registration/licence to practise: Registration is obligatory with the Arztekammern der Länder (General Medical Council of the respective provinces). The licence to practise medicine is granted to graduates of recognized medical schools who have completed 18 months of practical training. They must be of good character and in good health. Foreigners from countries outside the European Union may be granted a temporary licence only.

Work in government service after graduation: Not obligatory

Agreements with other countries: An agreement exists with other countries of the European Union (Directive 93/16/EEC governing the employment of doctors).

### Updates through 30 June 2003

Changes in information:

The Medizinische Fakultät, Universität-Gesamthochschule Essen, listed on page 137 of the seventh edition of the World directory, changed its name on 18 December 2002 to:

UNIVERSITAETSKLINIKUM ESSEN

MEDIZINISCHE FAKULTAET DER UNIVERSITAET DUISBURG-ESSEN

Year instruction started: 1963

Since October 1, 1963, medical education at the Medical Faculty has followed a 6-year (12 semester) curriculum.

Universitaetsklinikum Essen was affiliated

From 1963 to 1967 with the University Muenster

From 1967 to 1972 with the University Bochum

From 1972 to 2002 with the University Essen

From 2003 to the present with the University Duisburg-Essen
