

JORDAN

Update at the end of the text cover the period through 31 December 2007

Total population in 1995: 5 581 000

Number of physicians per 100 000 population (1993): 158

Number of medical schools: 2

Duration of basic medical degree course, including practical training: 6 years

Title of degree awarded: Bachelor of Medicine and Surgery

Medical registration/licence to practise: Registration is obligatory with the Jordan Medical Association. The licence to practise medicine is granted by the Ministry of Health, PO Box 915, Amman 11118, to graduates on completion of an 11-month internship in the four main departments of a teaching hospital. Graduates of foreign medical schools must have their degree validated. Foreigners must hold a residence permit.

Work in government service after graduation: Not obligatory

Agreements with other countries: An agreement exists with the Arab Board of Medical Specialities which provides for mutual recognition of Jordanian and Arab degrees in medicine and surgery.
