

PHILIPPINES

Updates at the end of the text cover the period through 31 December 2007

Total population in 1995: 69 282 000

Number of physicians per 100 000 population (1993): 11

Number of medical schools: 28

Duration of basic medical degree course, including practical training: 4–7 years

Title of degree awarded: Manggagamot (Doctor of Medicine)

Medical registration/licence to practise: Registration is obligatory with the Professional Regulation Commission, P. Parades Street, Manila. The licence to practise medicine is granted to graduates of a recognized medical school in the Philippines who have completed 1 year as an intern before taking the licensing examination. The licence must be renewed every 5 years. Foreigners and nationals with foreign medical qualifications are allowed to practise only if they are from a country that has a reciprocal agreement with the Philippines.

Work in government service after graduation: Not obligatory

Agreements with other countries: —
