

The Third meeting of the IHR Review Committee will be held at WHO HQ, Geneva 27 - 29 September 2010

The proposed method of work for the third meeting will be as follows:

The Committee will meet in plenary session on Monday morning and afternoon and Tuesday morning at which time the Review Committee members will give an update on their work, welcome interventions from States Parties, and conduct interviews with key involved individuals and stakeholders. The Committee will also hold deliberative sessions, in private (open to Committee members only), to compare impressions and develop possible findings, conclusions, and areas of recommendations.

The meeting will conclude with a plenary session scheduled for Wednesday afternoon that will focus on discussing and adopting the meeting report.

The working hours will be from 10:00 - 13:00 and 15:00- 18:00 each day with an anticipated evening session on Monday 27 September to accommodate additional interviews.

As during the first meetings of the IHR Review Committee, Member States, the United Nations and its specialized agencies and other relevant intergovernmental or non governmental organizations in official relations with WHO are invited to send representatives to attend the plenary sessions of the Committee.

The draft agenda for the meeting is included below.
