Global Vaccine and Immunization Research Forum (GVIRF)

15 to 17 March 2016

Hilton Sandton Hotel, Johannesburg, South Africa

PROVISIONAL LIST OF PARTICIPANTS

Scientific Organizing Committee

Dr Jean-Pierre Amorij, Chief Technology Officer & Founder, Virtuvax, Abcoude, Netherlands

Dr Norman W. Baylor, President and Chief Executive Officer, Biologics Consulting Group, Inc., Alexandria, VA, USA

Professor David Durrheim, Director of Health Protection, Hunter New England Area Health Service and Professor of Public Health, University of Newcastle, Eleebana, Australia

Dr Thomas G. Evans, President and Chief Executive Officer, Aeras, Rockville, MD, USA (Unable to attend)

Dr Ingileif Jonsdottir, Professor of Immunology, Department of Immunology, Landspitali, The University Hospital of Iceland, Reykjavik, Iceland (Unable to attend)

Professor Gagandeep Kang, Professor and Head, The Wellcome Trust Research Laboratory, Division of Gastrointestinal Sciences, Christian Medical College, Tamil Nadu, Vellore, India (Unable to attend)

Dr Rosanna Lagos, Coordinadora, Centro para vacunas en Desarrollo-Chile, Hospital de Niños Roberto del Rio, Santiago, Chile (Unable to attend)

Dr Odile Leroy, Executive Director, European Vaccine Initiative, Heidelberg, Germany

Dr Kathleen Neuzil, Director, School of Medicine, University of Maryland, Center for Vaccine Development, Baltimore, Maryland, USA

Dr Bernhards Ragama, Chief Research Officer, Centre for Clinical Research, Kenya Medical Research Institute, Nairobi, Kenya

Dr Alexander R Precioso, Director, Clinical Trials and Pharmacovigilance Division, Instituto Butantan, São Paulo SP, Brazil

Professor Helen Rees, Executive Director, Wits Reproductive Health and HIV Research Institute, AFRO TFI Chair, University of Witwatersrand, Johannesburg, Gauteng, South Africa

Dr Lucky Slamet, Technical Consultant for Badam Pom, Jakarta Selatan, Indonesia
Participants

Dr Salim Abdulla, Chief Executive Officer, Ifakara Health Institute, United Republic of Tanzania

Dr Bernadette Abela-Ridder, Scientist, Neglected Zoonotic Diseases, World Health Organization, Geneva, Switzerland

Dr Jon S. Abramson, Professor, Department of Pediatrics, Wake Forest Baptist Health, Winston-Salem, NC, USA

Professor Bartholomew Akanmori, Regional Advisor, Vaccine Regulation, Immunization and Vaccine Development Programme, World Health Organization, Brazzaville, Republic of Congo

Mr Alain Alsalhani, Pharmacist, Access Campaign, Médecins Sans Frontières, Paris, France

Dr Kwasi Amfo, Vice President and Head, Global Dengue and EV71 Programs, Takeda Pharmaceutical Company Limited, Deerfield, Illinois, USA

Dr William Kwabena Ampofo, Senior Research Fellow & Head, Virology, Noguchi Memorial Institute for Medical Research (NMIMR), Accra, Greater Accra, Ghana

Dr Narendra Kumar Arora, Executive Director, The INCLEN Trust International, New Delhi, India

Dr Deborah Atherly, Global Program Leader, Vaccine Access and Delivery, PATH, Seattle Washington, USA

Dr Antoinette Ba-Nguz, Regional Coordinator, SIVAC Initiative, Agence de Médecine Préventive, Nairobi, Kenya

Ms Katrine Bach Habersaat, Technical Officer, Vaccine-preventable Diseases and Immunization, World Health Organization, Regional Office for Europe, Copenhagen, Denmark

Dr Shahida Baqar, Program Officer, Division of Microbiology and Infectious Diseases, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, USA

Professor Alan Barrett, Director, Sealy Center for Vaccine Development, University of Texas Medical Branch, Galveston, Texas, USA

Professor Hyam N. Bashour, Professor of Epidemiology and Community Health, (EMRO TAG Chair), Faculty of Medicine, Damascus University, Damascus, Syria

Ms Amie Batson, Chief, Strategy Officer, PATH, Seattle, Washington, USA

Dr Seth Berkley, Chief Executive Officer, GAVI, the Vaccine Alliance, Geneva, Switzerland

Dr Shyam Bishen, Deputy Director, Life Sciences Partnerships, Global Health, Bill & Melinda Gates Foundation, Seattle, Washington, USA
Professor Lucille Blumberg, Deputy-Director, Head of Public Health Surveillance & Response, Division of Public Health, Surveillance and Response, National Institute for Communicable Diseases, South Africa

Dr Kimberly Bonner, Medical Researcher, Access Campaign, Médecins sans Frontières / Doctors without borders, New York, NY, USA

Dr Paula Bryant, Senior Scientist, National Institute of Allergy and Infectious Diseases, Rockville, Maryland, USA

Mr Kim Bush, Director, Life Sciences Partnerships, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Dr Robb Butler, Programme Manager, Vaccine Preventable Diseases and Immunization (VPI), World Health Organization, Regional Office for Europe, Copenhagen, Denmark

Dr Marco Cavaleri, Executive Director & Head, Anti-Infectives and Vaccines, European Medicines Agency, London, UK

Dr Thomas Cherian, Coordinator, Immunization, Vaccines and Biologicals, World Health Organization, Geneva, Switzerland

Dr Klaus Chichetuk, Director, Paul-Ehrlich-Institut, Langen, Germany

Professor Nicola Christofides, Assistant Professor, Public Health, University of Witwatersrand, Johannesburg, South Africa

Dr Ralf Clemens, Senior Vice President, GRID Rio, Rio de Janeiro, Brazil

Dr Cheryl Cohen, Epidemiologist, National Institute for Communicable Diseases, Sandringham, South Africa

Professor Tumani Corrah, Director, Africa Research Excellence Fundes, Africa Research Development Office, Medical Research Council, Banjul, Gambia

Dr Ziyaad Dangor, Researcher, Respiratory and Meningeal Pathogens Research Unit, University of Witwatersrand, Soweto, South Africa

Mrs Delese Mimi Darko, Acting Deputy Chief, Safety Monitoring and Clinical Trials Division, Food and Drugs Authority, Accra, Ghana

Dr Michel De Wilde, Owner, MDWConsultant, LLC, Blairstown, NJ, USA

Dr Carolyn Deal, Chief, Sexually Transmitted Diseases Branch, Division of Microbiology and Infectious Diseases, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, USA

Ms Heather Deehan, Chief, Vaccine Centre, Supply Division, UNICEF, Copenhagen, Denmark

Professor Sinead Delany-Morelwe, Research Director, Wits Reproductive Health & HIV Institute, University of Witwatersrand, Johannesburg, South Africa
Dr Jane Deng, Associate Professor, Medicine - Pulmonary and Critical Care, David Geffen School of Medicine at UCLA, Los Angeles, California, USA

Dr Laura Digilio, Deputy Director General, Development & Delivery Unit, International Vaccine Institute, SNU Research Park, Nakseongdae-dong, Gwanak-gu, Seoul, Republic of Korea

Dr Dennis Dixon, Chief, Bacteriology and Mycology Branch, National Institute of Allergy and Infectious Diseases, Rockville, Maryland, USA

Dr Maria Dominguez-Bello, Associate Professor, Department of Medicine, New York University School of Medicine, New York, NY, USA

Dr Filip Dubovsky, Vice President, Clinical Development, Therapeutic Area Head, Department of Vaccines, MedImmune, Gaithersburg, Maryland, USA

Dr Peter Dull, Deputy Director, Vaccine Development, Global Health Program, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Dr Rudi Eggers, Medical Officer, Immunization Systems Strengthening, Immunization, Vaccines and Biologicals, World Health Organization, Geneva, Switzerland

Professor Jose Esparza, Adjunct Professor, Department of Medicine, Institute of Human Virology, Reston, VA, USA

Dr Lee Fairlie, Director, Child and Adolescent Health, WITS Reproductive Health & HIV Institute, University of Witwatersrand, Johannesburg, South Africa

Dr Rebecca Fields, Senior Technical Advisor for Immunization, Maternal and Child Survival Program (MCSP), John Snow, Inc. JSI Research & Training Institute, Inc., Washington, D.C, USA

Professor J. Peter Figueroa, Public Health, Epidemiology & AIDS, Department of Community Health & Psychiatry, University of the West Indies, Kingston, Jamaica

Dr James Fleckenstein, Associate Professor, Department of Medicine, Washington University School of Medicine, Saint Louis, Missouri, USA

Dr Mark Andrew Fletcher, AFME & India Medical Lead, Pfizer Vaccines, Pfizer Inc., Paris, France

Dr Andrew Ford, Scientific Program Analyst, Office of Scientific Coordination and Program Operations, Division of Microbiology and Infectious Diseases, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, USA

Dr Martin Friede, Scientist, Technology Transfer initiative, World Health Organization, Geneva, Switzerland

Dr Bernard Fritzell, Consultant, Paris, France

Dr Bruce Gellin, Deputy Assistant Secretary for Health, Director, National Vaccine Program Office, Department of Health and Human Services, Washington, DC, USA

Professor Armah George, Senior Research Fellow, Noguchi Medical Research Institute, Accra, Ghana
Dr Birgitte Giersing, Technical Officer, Initiative for Vaccine Research, Immunization, Vaccines and Biologics, World Health Organization, Geneva, Switzerland

Ms Susan Goldstein, Executive RM&E, Soul City: Institute for Health and Development Communication, Johannesburg, South Africa

Dr James Goodson, Epidemiologist, Centers for Disease Control and Prevention (CDC), Atlanta, Georgia, USA

Professor Barney S. Graham, Deputy Director, Vaccine Research Center, Chief, Viral Pathogenesis Laboratory and Translational Science Core, Vaccine Research Center, National Institute of Allergy and Infectious Diseases, National Institute of Health, Bethesda, Maryland, USA

Professor Glenda Gray, Chief Executive Officer President, South Africa Medical Research Council, Parktown, South Africa

Mr Jan Grevendonk, Technical Officer, Immunization Information Systems, Immunization, Vaccines and Biologicals, World Health Organization, Geneva, Switzerland

Dr Leander Grode, Chief Scientific Officer, Business Development, Vakzine Projekt Management GmbH, Hannover, Germany

Dr Michelle Groome, Clinical researcher/epidemiologist, Respiratory and Meningeal Pathogens Research Unit, University of the Witwatersrand, Diepkloof, Soweto, South Africa

Dr Swati Gupta, Executive Director, Vaccines, Department of Public Health and Science, Merck, Lansdale, USA

Dr B. F. "Lee" Hall, Chief, Parasitology & International Programs Branch, Division of Microbiology & Infectious Diseases, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, USA

Professor Willem Hanekom, Deputy Director, Tuberculosis, Discovery and Development of New TB Vaccines, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Dr Joachim Hombach, Senior Adviser, Initiative for Vaccine Research, Immunization, Vaccines and Biologicals, World Health Organization, Geneva, Switzerland

Ms Angela Hwang, Senior Program Officer, Vaccine Delivery, Global Development, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Ms Robyn Iqbal, Program Officer, Market Dynamics, Vaccine Delivery, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Dr Ilesh Vinodrai Jani, Director General, Instituto Nacional de Saúde, Maputo, Mozambique

Professor Walter Godfrey Jaoko, Professor, Department of Medical Microbiology, University of Nairobi, Nairobi, Kenya

Ms Judith Kallenberg, Head, Policy Development, Policy & Market Shaping, Gavi, the Vaccine Alliance, Geneva, Switzerland
Dr Elicah Kandinda Kamiji, Chief EPI Officer, Mother and Child Health, Ministry of Health, Lusaka, Zambia

Professor Edward Karamov, Head, Laboratory of Immunochemistry, Gamaleya Center for Epidemiology and Microbiology, Moscow, Russian Federation

Mr Eric Karikari-Boateng, Head of Laboratory Services Department, Food and Drugs Authority Ghana, Accra, Ghana

Dr David Kaslow, Vice President, Product Development, PATH, Seattle, Washington, USA

Dr Hani Kim, Program Officer, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Dr Neil King, Senior Director of Strategy, Translational Investigator, Acting Assistant Professor, Institute for Protein Design, Seattle, Washington, USA

Dr Julia Knaul, Project Manager, Business & Development, Vakzine Project Management GmbH, Hannover, Germany

Dr Wayne Koff, Chief Scientific Officer, Research & Development, International AIDS Vaccine Initiative, New York, NY, USA

Dr Claudio F. Lanata, Senior Researcher, Instituto de Investigación Nutricional, Lima, Peru

Dr Jean Lang, Associate Vice-President, Dengue Program Director, R&D Travel/Endemic & Emerging New Vaccines Program, Sanofi Pasteur, Marcy l'Etoile, France

Dr Matthew Laurens, Associate Professor, Center for Vaccine Development and Division of Malaria Research, Institute for Global Health, University of Maryland School of Medicine, Baltimore, Maryland, USA

Dr Nancy Lee, Senior Policy Advisor, Drug Resistant Infections & Vaccines, Wellcome Trust, London, UK

Professor Aldo Lima, Professor, Institute of Biomedicine, Federal University of Ceará, Fortaleza, Brazil

Dr Ann Lindstrand, Head, Vaccination Programs, Monitoring and surveillance, The Public Health Agency of Sweden, Stockholm, Sweden

Ms Tina Lorenson, Program Officer, Market Dynamics, Vaccine Delivery, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Dr Eusebio Macete, Director, Centro de Investigacao em Saude da Manhiça, Maputo, Mozambique

Professor Shabir A. Madhi, Director, National Institute for Communicable Diseases, Johannesburg, South Africa

Dr Morena Makhoana, Chief Executive Officer, The Biovac Institute, Pinelands, South Africa
Ms Melissa Malhame, Head, Market Shaping, Policy and Market Shaping, Gavi, the Vaccine Alliance, Geneva, Switzerland

Dr Carsten Mantel, Medical Officer, Expanded Programme on Immunization Plus, Immunization, Vaccines and Biologicals, World Health Organization, Geneva, Switzerland

Dr Florian Marks, Head, Epidemiology, International Vaccine Institute (IVI), Seoul, Republic of Korea

Dr Mark McKinlay, Director, Center for Vaccine Equity, The Task Force for Global Health, Decatur, Georgia, USA

Dr Meredith McMorrow, Influenza Program Director, South Africa Country Office, Centers for Disease Control and Prevention, Pretoria, South Africa

Dr Nelson Michael, Director, Department of Retriovirology US Military HIV Research Program, Walter Reed Army Institute of Research, Bethesda, Maryland, USA

Dr Imran Mirza, Health Specialist, Immunization, UNICEF, New York, NY, USA

Dr Annie Mo, Program Officer, Parasitology & International Program Branch, National Institute of Allergy and Infectious Diseases, Rockville, Bethesda, Maryland, USA

Professor Penny Moore, SARChI Chair and Reader, HIV Virology, University of the Witwatersrand, Sandringham, South Africa

Professor Lynn Morris, Chief Specialist Scientist, Centre for HIV & STI's, National Institute for Communicable Diseases, South Africa

Dr Saiqa Mullick, Director, Implementation Science, University of the Witwatersrand, Johannesburg, South Africa

Dr Mercy Mvundura, Senior Health Economist, PATH, Seattle, Washington, USA

Dr Christopher Nelson, Associate Vice President, Dengue Implementation and Evaluation, Sanofi Pasteur, Lyon, France

Dr Marta Nunes, Respiratory and Meningeal Pathogens Research Unit, Wits University, Johannesburg, South Africa

Dr Susan Nzenze, Researcher, Respiratory and Meningeal Pathogens Research Unit, University of Witwatersrand, Soweto, South Africa

Professor Katherine L. O'Brien, Professor, International Health, Johns Hopkins Bloomberg School of Public Health, Baltimore, Maryland, USA

Dr Abraham Oduro, Director, Health, Navrongo Health Research Centre, Navrongo, Ghana

Dr Joseph Okeibunor, Regional Immunization & Polio Social Scientist, Polio Eradication Programme, World Health Organization Regional Office for Africa, Brazzaville, Republic of Congo
Dr Jean-Marc Olivé, Consultant, Paris, France

Dr Morounfolu Olugbosi, Vaccines Medical Manager, South and Southern Africa, Emerging Markets & Asia Pac, GlaxoSmithKline, Bryanston, South Africa

Dr Saad Omer, Professor, Hubert Department of Global Health, Emory University - Rollins School of Public Health, Atlanta, Georgia, USA

Professor Walter Orenstein, Scientist, Medicine: Infectious Diseases & Emory Vaccine Center, Emory University Vaccine Centre, Atlanta, Georgia, USA

Dr Justin Ortiz, Medical Officer, Initiative for Vaccine Research, Immunization, Vaccines and Biologicals, World Health Organization, Geneva, Switzerland

Dr Amed Ouattara, Researcher, Division of Malaria Research/Institute for Global Health, University of Maryland School of Medicine, Baltimore, Maryland, USA

Dr Valérie Oriol, Janssen Biologics BV, Leiden, Netherlands

Professor Nicola Page, Co-head, Centre for Enteric Diseases, National Institute for Communicable Diseases, Sandringham, South Africa

Dr Jayani Pathirana, PhD fellow, Respiratory and Meningeal Pathogens Research Unit (RMPRU), University of Witwatersrand, Soweto, South Africa

Dr Viliam Pavliak, Head, Vaccine Development, International Vaccine Institute (IVI), Seoul, Republic of Korea

Mr Nicholas Perombelon, Head, ClinicalRA/Non Clinical and Labelling, GlaxoSmithKline Vaccines, Wavre, Belgium

Mr Marc Perut, Project Officer, Initiative for Vaccine Research, Immunization, Vaccines and Biologicals, World Health Organization, Geneva, Switzerland

Dr Yogan Pillay, Deputy Director General, National Department of Health, Pretoria, South Africa

Professor Punnee Pitisuttithum, Director, Vaccine Trial Centre, Faculty of Tropical Medicine, Mahidol University, Bangkok, Thailand

Dr Rino Rappuoli, Chief Scientist, GlaxoSmithKline Vaccines, Siena, Italy

Dr Gandi Rayon Ramirez, Executive Direction of Pharmacopoeia and Pharmacovigilance, Comisión Federal para la Protección contra Riesgos Sanitarios (COFEPRIS), Mexico DF, Mexico

Professor Jordi Rello, Professor, Medicine, Universitat Autonoma de Barcelona, Barcelona, Spain

Professor Felix Rey, Professor, Virology, Institut Pasteur, Paris, France
Professor Haroon Saloojee, Head of Division, Paediatrics and Child Health, University of the Witwatersrand, Johannesburg, South Africa

Dr William Schief, Professor, Department of Immunology and Microbial Science, The Scripps Research Institute, La Jolla, CA, USA

Professor Olaf Schneewind, Professor & Department Chair, Department of Microbiology, University of Chicago, Chicago, Illinois, USA

Dr Lewis (Lew) Schrager, Vice President, Scientific Affairs, Aeras, Rockville, Maryland, USA

Dr Thomas Scriba, Deputy Director - Immunology, South African Tuberculosis Vaccine Initiative, University of Cape Town, Cape Town, South Africa

Dr Abigail Shefer, National Center for Immunization and Respiratory Diseases, Centers for Disease Control and Prevention (CDC), Atlanta, Georgia, USA

Dr Messeret Shibeshi, Medical Epidemiologist Immunization officer, World Health Organization Regional Office for Africa (AFRO), Harare, Zimbabwe

Dr Ajit Pal Singh, Director Clinical R&D, MSD Wellcome Trust Hilleman Laboratories Pvt. Ltd., New Delhi, India

Mr Jaco Smit, General Manager, Sanofi Pasteur, Lyon, France

Professor Peter George Smith, Professor, MRC Tropical Epidemiology Group, London School of Hygiene and Tropical Medicine, London, UK

Mr Steve Smith, Health Attaché, U.S. Department of Health & Human Services, Pretoria, South Africa

Dr Jonathan Stadler, Senior Researcher, Wits Reproductive Health and HIV Institute, University of Witwatersrand, Johannesburg, South Africa

Dr Duncan Steele, Deputy Director, Enteric and Diarrheal Diseases, Infectious Diseases, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Dr Andrew Steer, Paediatrician and Senior Research Fellow, Royal Children’s Hospital - Centre for International Child Health, University of Melbourne, Parkville Victoria, Melbourne, Australia

Dr Peter Streb, Medical Officer, Expanded Programme on Immunization, Immunization, Vaccines and Biologicals, World Health Organization, Geneva, Switzerland

Dr Lynda Stuart, Senior Program Officer, Bill & Melinda Gates Foundation, Seattle, Washington, USA

Dr Melinda Suchard, Head of Centre, Centre for Vaccines and Immunology, National Institute for Communicable Diseases, Johannesburg, South Africa

Dr Dereck Tait, Clinical Director & Office Lead, Clinical development, Aeras Global TB Vaccine Foundation, Cape Town, South Africa
**Professor Mahamadou A. Thera**, Professor of Parasitology-Mycology, Epidemiology of Parasitic Diseases/Faculty of Medicine/Malaria Research and Training Center, University of Bamako, Bamako, Mali

**Dr Stephen Thomas**, Deputy Commander for Operations, Walter Reed Army Institute of Research, Silver Spring, Maryland, USA

**Professor Kimberly Thompson**, Professor of Preventive Medicine and Global Health, College of Medicine, University of Central Florida, and President, Kid Risk Inc., Orlando, Florida, USA

**Professor Caroline Tiemessen**, Head: Cell Biology, Centre for HIV and STIs, National Institute for Communicable Diseases, Sandringham, South Africa

**Mr Patrick Tippoo**, Head of Department, Science and Innovation, The Biovac Institute, Pinelands, South Africa

**Dr Hasitha Tissera**, Consultant Epidemiologist, National Coordinator for Dengue, Ministry of Health, Colombo, Sri Lanka

**Professor Oyewale Tomori**, President, Nigerian Academy of Science, Ibadan, Nigeria

**Ms Esenbeckia Yureri Torres Guzman**, Biotechnology Products Senior Specialist, Biotechnology products, Comisión Federal para la Protección contra Riesgos Sanitarios (COFEPRIS), Mexico DF, Mexico

**Ms Nancy Touchette**, Health Research Program and Policy Analyst, Office of Global Research, National Institute of Allergy and Infectious Diseases, Bethesda, Maryland, USA

**Dr Tsepo Tsekoa**, Council for Scientific and Industrial Research, CSIR Biosciences, Pretoria, South Africa

**Dr Magnus Unemo**, Department of Laboratory Medicine, Orebro University Hospital, Örebro, Sweden

**Dr Johan Van Hoof**, Head R&D Infectious Diseases Vaccines, Global Therapeutic Area, Janssen Research Foundation, Beerse, Belgium

**Dr Kirsten Vannice**, Scientist, Initiative for Vaccine Research, World Health Organization, Geneva, Switzerland

**Dr Anne Von Gottberg**, Clinical Microbiologist, Head of Centre, National Institute for Communicable Diseases, Johannesburg, South Africa

**Dr Rahnuma Wahid**, Senior Technical Officer, Vaccine Development, PATH, Seattle, Washington, USA

**Dr Susan Wang**, Associate Director for Research & Implementation Science, Global Immunization Division, Centers for Disease Control and Prevention, Atlanta, Georgia, USA

**Ms Claire Waterhouse**, Advocacy Officer South Africa, Access Campaign, Médecins Sans Frontières (Netherlands), Braamfontein, South Africa

**Dr William Wekwete**, Head, Evaluations and Registration Division, Medicines Control Authority of Zimbabwe, Harare, Zimbabwe
Dr Charlie Weller, Strategy Development Lead, DRI & Vaccines, Wellcome Trust, London, UK

Professor Charles Shey Wiysonge, Professor of Clinical Epidemiology & Deputy Director, Centre for Evidence-based Health Care, Stellenbosch University, Cape Town, South Africa

Mr David Wood, Coordinator, Technologies Standards and Norms, Essential Medicines and Health Products, World Health Organization, Geneva, Switzerland

Mr Darin Lee Zehrung, Program Advisor/Portfolio Leader, Vaccine and Pharmaceutical Technologies Group - Delivery Technologies, PATH, Seattle, Washington, USA

Dr Gerd Zettlmeissl, Representative of the Board of Directors of Hilleman Laboratories and of Aeras, Former CEO Valneva SE (formerly Intercell AG), Wien, Austria

Dr Jean-Antoine Zinsou, Senior Director, Policy Affairs and Advocacy, Sanofi Pasteur, Lyon, France
