List of participants to the
WHO Chemical Risk Assessment Network

AFRICAN REGION

Botswana, Department of Environmental Health, University of Botswana

Botswana, Environmental and Occupational Health Division, Chemical Management Unit, Ministry of Health

Côte d'Ivoire, Directorate of Hygiene and Health - Environment, Ministry of Public Health and Hygiene

Ghana, Environmental Protection Agency

Ghana, Ghana Health Service

South Africa, Africa Institute

South Africa, Poisons Information Centre, Red Cross War Memorial Children's Hospital

South Africa, Tygerberg Poison Information Centre

South Africa, WHO Collaborating Centre for Occupational Health at the National Institute for Occupational Health (NIOH)

United Republic of Tanzania, GCLA - Government Chemist Laboratory Agency

EASTERN MEDITERRANEAN REGION

Iran, Institute for Environmental Research, Teheran University of Medical Sciences

Morocco, Environmental Health Department, Ministry of Health

Tunisia, ANCSEP - National Agency of Sanitary and Environmental Control of Products

EUROPEAN REGION

Azerbaijan, Azerbaijan Medical University

Belarus, Scientific Practical Centre of Hygiene, Ministry of Health

Czech Republic, RECETOX - Research Centre for Toxic Compounds in the Environment

Denmark, Department of Environmental Science, Aarhus University
Finland, WHO Collaborating Centre for Occupational Health, Finnish Institute of Occupational Health

France, ANSES - French Agency for Food, Environmental and Occupational Health & Safety (Agence nationale de sécurité sanitaire de l'alimentation, de l'environnement et du travail)

France, EHESP – School of Public Health

France, SFSE - French Society for Environmental Health

Germany, BfR - Federal Institute for Risk Assessment

Germany, MAK Commission

Israel, Public Health Services, Ministry of Health

Italy, EFSA - European Food Safety Authority

Italy, ICPS - International Centre for Pesticides and Health Risk Prevention

Italy, WHO Collaborating Centre for Occupational Health, International Centre for Rural Health

Kazakhstan, Human Health Risk Assessment Laboratory, Kazakh National Medical University

Lithuania, Institute of Environmental Engineering, Kaunas University of Technology

Netherlands, RIVM - National Institute for Public Health and the Environment

Netherlands, WHO Collaborating Centre for Immunotoxicology and Allergic Hypersensitivity at RIVM

Portugal, - Environmental Health Unit, National Institute of Health

Portugal, Portuguese Toxicology Association

Republic of Moldova, National Center of Public Health

Russian Federation, Federal Scientific Center for Medical and Preventive Health Risk Management Technologies

Russian Federation, Research Institute of Human Ecology and Environmental Health

Spain, ELIKA - Basque Foundation for Agro food Safety

Serbia, Toxicological Risk Assessment Centre, Faculty of Pharmacy, University of Belgrade

Slovenia, National Institute of Public Health

Spain, University of A Coruña
Sweden, Institute of Environmental Medicine, Karolinska Institute
Sweden, KEMI - Swedish Chemicals Agency
Sweden, Swedish Toxicology Sciences Research Center (Swetox)
Switzerland, Federal Office of Public Health
Switzerland, Swiss Centre for Applied Human Toxicology
Ukraine, L.I. Medved's Research Center of Preventive Toxicology, Food and Chemical Safety, Ministry of Health
United Kingdom, Centre for Health, Safety and Environment (CHSE), Cardiff Metropolitan University
United Kingdom, Lancaster Environment Centre, Lancaster University
United Kingdom, MRC-PHE Centre for Environment & Health, Imperial College London
United Kingdom, Public Health England
United Kingdom, Royal Society of Chemistry

REGION OF THE AMERICAS

Brazil, ANVISA - Brazilian National Health Surveillance Agency
Canada, Existing Substances Risk Assessment Program, Health Canada
Canada, Institute of Population Health, University of Ottawa
Canada, INSPQ - Institut national de santé publique du Québec
Canada, Pest Management Regulatory Agency
Colombia, INVIMA - Instituto Nacional de Vigilancia de Medicamentos y Alimentos
Costa Rica, WHO Collaborating Centre for Occupational and Environmental Epidemiology and Toxicology at IRET
Jamaica, Pesticides Control Authority
Mexico, COFEPRIS - Federal Commission for the Protection against Sanitary Risks
Suriname, Ministry of Health
USA, IRARC - Institute for Risk Analysis and Risk Communication, University of Washington
USA, NIOSH - National Institute for Occupational Safety and Health
USA, ORNL - Oak Ridge National Laboratory, US Department of Energy
USA, Oklahoma Christian University
USA, SETAC - Society of Environmental Toxicology and Chemistry
USA, The Institute for Environmental Modeling, University of Tennessee
USA, United States Environmental Protection Agency
USA, University of North Texas Health Science Center
USA, US Department of Defense, Science and Technology Directorate
USA, WHO Collaborating Centre for Environmental Health Sciences at the National Institute of Environmental Health Sciences (NIEHS)
USA, WHO Collaborating Centre on Water and Indoor Air Quality and Food Safety at NSF International

SOUTH-EAST ASIA REGION

Bhutan, Department of Public Health, Ministry of Health
India, Regional Occupational Health Centre-Southern (ICMR), Bangalore
Indonesia, NAFDAC - National Agency for Food and Drug Control
Myanmar, Occupational and Environmental Health Division, Department of Health, Ministry of Health and Sports
Sri Lanka, Environmental and Occupational Health Directorate, Ministry of Health
Thailand, Food and Drug Administration
Thailand, WHO Collaborating Centre for Capacity Building and Research in Environmental Health Science and Toxicology at the Chulabhorn Research Institute
Thailand, WHO Collaborating Centre for Occupational Health of the Bureau of Occupational and Environmental Diseases

WESTERN PACIFIC REGION

China, Institute of Chemicals Safety, Chinese Academy of Inspection and Quarantine
Japan, Biological Safety and Research Center, National Institute of Health Sciences
Japan, Environmental Health Department, Ministry of the Environment
Malaysia, Malaysian Society of Toxicology
New Zealand, Biosecurity Science, Food Science and Risk Assessment Directorate, Ministry for Primary Industries
Republic of Korea, Department of Environmental Health Sciences, Graduate School of Public Health, Seoul National University
Republic of Korea, National Institute of Food and Drug Safety Evaluation

NONGOVERNMENTAL ORGANIZATIONS IN OFFICIAL RELATIONS WITH WHO
Belgium, Croplife International
Belgium, European Centre for Ecotoxicology and Toxicology of Chemicals (ECETOC)
USA, IUTOX - International Union of Toxicology

OBSERVERS
France, OECD - Organisation for Economic Co-operation and Development
Finland, ECHA - European Chemicals Agency
