I. Epidemiological profile

Population 2013 %
High transmission (> 1 case per 1000 population) 1540000 67
Low transmission (≤ 1 case per 1000 population) 115500 5
Malaria-free (0 cases) 640000 28
Total 2195000

II. Intervention policies and strategies

IV. Coverage

III. Financing

Sources of financing

IV. Coverage

ITN and IRS coverage

Confirmed cases per 1000 population/Parasite prevalence (PP)

Proportion of cases due to P. falciparum

III. Financing

Sources of financing

Financing by intervention in 2013

Cases tested and treated in public sector

Cases tracked

Test positivity

V. Impact

Confirmed malaria cases per 1000 and ABER

Malaria admissions and deaths (per 100000)
