National policy on health technology
Health technology (medical device) national policy: No
Web site: —
Language(s): —
MOH responsible for health technology policy implementation: EQUIPMENT COMMITTEE under chairmanship of DIRECTOR, HEALTH SERVICES

Regulatory agency
Authority responsible for implementing and enforcing regulations in your country: No
Name of principal institution: —
Web site: —
Contact: —
Telephone number: —
Email: —

National health technology assessment unit
Unit/department: —
Web site: —
Contact: —
Email: —

National health technology management units
National health technology unit(s): Yes

Development of technical specifications for procurement process:
Unit/department: Flacq Hospital
Web site: —
Contact: Dr. Domah
E mail: chandomah@intnet.mu

Other: Planning of medical equipment allocation/development of technical specifications/application/user training
Unit/department: SSR National Hospital
Web site: —
Contact: Dr. Bissoondoyal
Email: kbissoondoyal@mail.gov.mu

Other: Planning of medical equipment allocation/development of technical specifications/application/user training
Unit/department: Victoria Hospital
Web site: —
Contact: Dr. Bauljeeewon
Email: —

Medical device nomenclature system
Official nomenclature system for medical devices: No  Type: None  Use: No
Nomenclature system name: —  Web site: —

Medical device incorporation
Procurement
Policy or guideline: No
Web site: —
National level procurement: No
Web site: —

Donations
Policy or guideline: No
Web site: —

Technical specifications
Technical specifications to support procurement or donations: Yes, but not publically available
Web site: —

Medical device incorporation comments:
Central Procurement Board has a policy. However, there is an equipment committee which looks after procurement of equipment spare parts. For public sector: procurement is done at a level of MoH and central procurement board. Private equipment is done by direct purchase. In the public sector, we recommend certification based on FDA, CE, TUV approved systems.

Population (000s)*: 1'244
Life expectancy at birth (years)*: 74
Per capita total health expenditure (PPP Int $)*: 784
GNI per capita (US$)*: 9'290

Expected economic and demographic indicators

[Table and chart information]

Internet users (%): 39.0%
Per capita total health expenditure (PPP Int $): 784
GNI per capita (US$): 9'290
