

## INDEX OF PHARMACOPOEIAS

The Index of Pharmacopoeias has been circulated to national pharmacopoeia commissions for their feedback and the data received from them have been used to update the previous list (document WHO/EDM/QSM/2004.4). Links to online pharmacopoeias were provided where available. Where no specific links to online pharmacopoeias available online were found, links to organizations of national pharmacopoeial commissions are listed. The list is provided for reference purposes only and does not pretend to be complete.

In order to bring this list up to date we would appreciate any additional data you may have. Please address your observations to Quality Assurance & Safety: Medicines, Medicines Policy and Standards, World Health Organization, 1211 Geneva 27, Switzerland, Fax: (0041 22) 791 47 30, or e-mail: [kopps@who.int](mailto:kopps@who.int).
