COUNTRY:	REQUEST FOR YEAR:	INDIVIDUALS	
		ADULT	CHILD
Number of individuals targeted for treatment:			
Number of individuals treated in previous year*:			

\* Please specify reporting period (from month \_\_\_\_\_ /year \_\_\_\_\_ to month \_\_\_\_\_ /year \_\_\_\_\_). WHO will supply Egaten<sup>®</sup> 250mg to the Ministry of Health based on this latest data, current trends in new case detection, and programme coverage. The Egaten<sup>®</sup> supply may be shipped in instalments, and will increase as programme capacity expands.

### EGATEN<sup>®</sup> 250mg DRUGS CURRENTLY IN STOCK

Egaten <sup>®</sup> 250mg Stocks (Blister packs of 4 tablets) **	Blister Packs
District level stocks (blister packs)	
State or Province level stocks (blister packs)	
Central level stocks (blister packs)	
<b>Total stocks in country (blister packs)</b>	

Ignore any stocks of expired drugs.

\*\* Please complete this section on Egaten<sup>®</sup> stocks as fully as possible, keeping in mind that significant quantities of Egaten<sup>®</sup> blisters may exist at regional and district levels, which if ignored, may result in an oversupply by WHO and consequent wastage due to expired drugs.

NOTE: This form constitutes an official government request to WHO for the supply of Egaten<sup>®</sup> drugs and MUST be submitted annually along with the latest Annual Report. As part of its ongoing monitoring and evaluation activities, and to meet its contractual obligations to donors and other partners, WHO or its appointed agents reserve the right to periodically inspect Egaten<sup>®</sup> stocks at country level.
