RESOLUTIONS AND DECISIONS

WHA3.26  Bilharziasis

The Third World Health Assembly,

Having considered the report of the Joint OIHP/WHO Study Group on Bilharziasis in Africa on its first session\(^1\) and the resolution taken thereon by the Executive Board,\(^2\)

1. THANKS the experts for their work;

2. WISHES to emphasize the danger of developing irrigation schemes in bilharzia infected regions if the necessary sanitary measures are not taken to control this infection;

3. APPROVES the proposals for further studies and field work in 1951 concerning this disease, as set forth in the Proposed Programme and Budget Estimates for 1951,\(^3\) and

4. REQUESTS the Director-General to take such action as may be necessary.

(Fourth report of the Committee on Programme, adopted at seventh plenary meeting, 25 May 1950) [A3/R/68]
