

WHO/ICN Needlestick injury reporting form

Anonymous Needlestick Injury Reporting Survey

Please distribute to injection providers and ask them to return their survey to a box where their answers will be tallied together with all other surveys in a manner to ensure anonymity.

1. How many needlestick injuries have you had during the last 12 months?

2. Did you report the incident/injury? Yes or No (Circle the correct answer)
answer)
3. If not, why not?

4. Did you receive medical attention for your injury? Yes or No (Circle the response)
5. Are you aware of the policy and procedure for reporting sharps injuries to healthcare workers? Yes or No
6. What suggestions do you have for preventing needlestick injuries?

Thank you very much for your time. The Needlestick Injury Prevention project will work to incorporate your suggestions for prevention. Caring for those who care!!
