OFFICIAL 'PATIENTS FOR PATIENT SAFETY CHAMPIONS'

The individuals listed below have attended a Patients for Patient Safety Workshop event, committed to the vision laid out in the 'London Declaration' and have confirmed their commitment to the Patients for Patient Safety Collaborative Agreement.

They are committed and dedicated individuals who are sharing their perspective and voice in a collaborative way with patients, families, health care professionals, and policy makers, through dialogue and partnership. They are ensuring patients are at the heart of the movement making health care safer around the world.
