Request for Proposals: HQ/HIS/EMP/IAU/2017 Agreement for Performance of Work

You are hereby invited to submit a proposal for Agreement for Performance of Work (APW) relating to supporting the Innovation, Access and Use (IAU) team in implementing the Global Action Plan on antimicrobial. The deliverables required by the World Health Organization (WHO) are fully described in the Terms of Reference attached to this Request for Proposal (RFP).

World Health Organization (WHO), a public international organization consisting of 194 Member States, is dependent on contributions it receives for the implementation of its activities. You are therefore requested to propose the best and most cost effective solution to meet WHO’s requirements.

This RFP is open to individuals engaged in the field of antimicrobial resistance with proven expertise in global antimicrobial stewardship discussions and reviews.

The proposal should be prepared and submitted in the English language and should include the following information:
- Proposed approach;
- Proposed timeline; and
- Financial proposal

Proposals should be submitted to WHO in writing no later than Monday 31 July 2017 at 17:00 hours Geneva local time (“the closing date”), by email to iauinfo@who.int.

We look forward to receiving your response to this request.

Yours sincerely,
