SIDE EVENT PROGRAMME

VISION ZERO – A POLICY INNOVATION FOR ALL STAKEHOLDERS

Date: 19 November 2015  Venue: Room 6  Time: 13:00-14:30

Organizers: Government of Sweden, EU commission (TBC), United States of America (TBC), Australia (TBC)

Objectives

- To increase knowledge about Vision Zero and its consequences for the practical road safety work.

Expected outcomes

- Consensus among a broad audience that Vision Zero is not only a policy for high performance countries but also a vision for all stakeholders around the world.

Format: Presentations and round table/moderated discussion

Who should attend?

- Anyone interested in road safety management.
