Adviser for European and International Affairs to the Interministerial Delegate for Road Safety
Vice Chair UNECE WP 1
2 - Long trends

Road safety measures and Road fatality trend between 1970 and 2013

Road fatality trend in France mainland and road safety measures on speed and alcohol I
1970 - 2013 (12 months gliding)

2013 Provisional Road casualty results. by ONISR - January 2014
Road Safety in 2015
Summary Report

Annual number of road traffic fatalities in France mainland

Annual number of road traffic fatalities in France overseas areas
Francophonie and road safety (1)

- Specific meetings each year gathering francophone countries about issues of common interest: Entretiens Jacques Cartier.

- Each year one meeting is dedicated to road safety: road safety in cities, young people and road safety, etc...

- On 22nd and 23rd of November 2016 in Lyon in France, the topic which will be addressed is “the impact of human factors, embarked and digital technologies on road safety policies”.
Francophonie and road safety (2)

- **Bilateral cooperation with francophone countries dealing with the following main topics**: setting up a Road Safety Observatory, how to deal with enforcement, road safety education, how to build a liable driving licence system, what kind of awareness campaign, etc... Easier to exchange best practices since we use the same language.

- **Convention signed on 10th of April 2016 in Algiers by the Ministers of the Interior of Algeria and France.**

- **Convention signed on 13th of June 2016 in Beirut by the Interministerial Delegates for Road Safety of Lebanon and France.**
During the 16th Summit of the International Organisation of the Francophonie to be held in Antananarivo in Madagascar on 26th and 27th of November 2016, a Resolution on Road Safety for francophone countries will be adopted.
