<tr>
<th>11:00 – 13:00</th>
<th>Integrating and expanding TB activities into the work of NGOs and other CSOs</th>
</tr>
</thead>
</table>

Co-Chairs: H. Getahun (WHO), P. Mtshali (BMSF/STF, South Africa)

This session will discuss approaches and experiences to integrate TB activities into the work of previously unengaged NGOs and ways to expand community based TB activities of engaged NGOs and other CSOs. It will identify key ingredients for meaningful engagement and collaboration between NTPs and NGOs and other CSOs as well as set the general context and scene for the meeting.

Presentations:

The ENGAGE-TB approach (T. Joseph, WHO)

Innovation: Integrating TB services among fishing communities; kitchen gardens to sustainably improve affected families’ livelihoods, GAPP (A. Otiato, Kenya)

Innovation: Integrating TB into cancer screening, CUAMM (A. Tsegaye, Ethiopia)

NTP Perspective: Nationwide scale up and lessons learned, NTP (S. Gacheri, Kenya)

**Discussion**
## Defining the way forward

Co-chairs: M. Raviglione (WHO), E. Goosby (UN Special Envoy on TB)

### 08:30 – 9:00

**Synthesis of key outcomes of group work**

H. Getahun (WHO)

This session will present a systematic synthesis of parallel group discussion outcomes from the previous day and set the scene for discussing future actions for NGOs/CSOs and NTPs to enhance their collaborative engagement in the implementation of the End TB Strategy.

### 09:00 – 11:00

**Group discussions: Roadmap for action and way forward**

This session will identify and list critical action points that need to be carried out by NGOs and other CSOs as well as NTPs and other stakeholders to enhance the engagement of NGOs and CSOs in the implementation of the End TB Strategy, and also address the challenges identified during the market place and the parallel group discussions of the previous day. It will primarily focus on areas that were identified as critical to be covered during the meeting via the online consultation (capacity building & technical assistance needs, advocacy & networking as well as monitoring & evaluation).

**Group Discussion A:**
- Chair: V. James (Zimbabwe)
- Secretariat: T. Joseph (WHO)
- Rapporteur: L. Kimani (Kenya)

*Integrated patient-centred TB care and prevention*

**Group Discussion B:**
- Chair: L. Chesire (Kenya)
- Secretariat: D. Weil (WHO)
- Rapporteur: R. Matheson (USA)

*Universal health coverage, social protection and poverty alleviation schemes*

**Group Discussion C:**
- Chair: E. Tessera (The Global Fund, Switzerland)
- Secretariat: L. Syed (WHO)
- Rapporteur: A. Islam (Bangladesh)

*Monitoring and evaluation and the End TB targets*
