8th PPM Subgroup Meeting

GROUP WORK
Group Work

3 breakout groups

• **Group 1:** Restricting access to TB drugs through pharmacy engagement – Country experiences and recommendations for global application: Ming 1

• **Group 2:** Certification and Accreditation of private facilities – Country experience and recommendations for global application: Stay here

• **Group 3:** Social Franchising for TB care and control – field experiences and lessons for national TB programmes: Ming 2
Group work

- Allocation to groups
- Templates
- Background material + core presentation
- Plenary: Report back presentation 5 min (Just 2 slides)
Restricting access to TB drugs through pharmacy engagement

Facilitators: Dr Mao Tan Eang and Prof. Manjiree Gharat

Questions to address:
• Can NTPs benefit from engaging private pharmacies in TB care and control? How?
• What generic steps could be undertaken to effectively engage private pharmacies in TB care and control

Expected output:
• Provide feedback on the draft practical tool to engage private pharmacies for inclusion in the PPM toolkit.
Group 1 members

- Wesley Tomno
- Frank Bonsu
- Khaled Seddiq
- KA Sachdeva
- Faridah Kusnin
- Nguyen Viet Nhun
- Blessi Kumar
- SS Lal
- Jamie Tonsing
- Satish Kapilyawar
- Netty Kamp
- William Wells
- Evan Lee
- Berthe Stenberg
- Rasmus Malmborg
- Daniel Kibuga
- Sally Anne Ohene
- Nicolas Nkiere
- Richard Mbumba
- Janet Ginnard
- Ayodele Awe
- Omoniyi Amos Fadare
- Perla Isagani
Certification and Accreditation of private facilities

Facilitators: Dr Mariquita Mantala

Questions to address:

• How can certification / accreditation help in scaling up PPM for TB care and control

• What generic steps can NTPs and Ministry of Health undertake to set up an accreditation system to help engage institutional and individual private care providers?

Expected output:

• A list of generic steps outlining activities and responsible actors to set up certification and accreditation of health facilities for TB care provision.
Group 2 members

- Joseph Sitienei
- Jeremiah Muhwa Chakaya
- Jean Paul Okiata
- Joshua Obasanya
- Saidi Egwaga
- Shamim Sultana
- Ashok Kumar
- Dyah Mustikawati
- Booncherd Kladphuang
- Suksont Jittimanee
- Abdul Razak bin Muttalif
- Zhao Yanlin
- Rosalind Vianzon
- Fran du Melle

- Surabhi Joshi
- Phillip Hopewell
- Jan Voskens
- Thulani Mbatha
- Mirtha del Granado
- Syed Karam Shah
- Masoud Dara
- Khurshid Alam Hyder
- Vikarunessa Begum
- Cornelia Hennig
- Woojin Lew
- Pham Huyen Khanh
- Jacob Creswell
- Fraser Wares
Social Franchising for TB care and control

Facilitators: Dr Petra Stankard

Questions to address:
- Can social franchising be a possible approach to engage private practitioners in TB care and control?
- How can NTPs and Partners adapt social franchising approaches to engage private practitioners in TB care and control?

Expected output:
- Provide feedback on the social franchising tool for inclusion in the PPM toolkit.
- List the lessons that Social Franchising approach offers to NTPs to help engage private practitioners in TB care and control.
Group 3 members

- Lovett Lawson
- Mohammed Ridwan Bushra
- Themba Dlamini
- Ejaz Qadeer
- Thandar Lwin
- Pedro Suarez
- Elizabeth Gardiner
- Maria Paola Lia
- Nalini Krishnan
- Cheri Vincent
- AN Zafar Ullah

- Aung Kyaw Linn
- Kefas Samson
- Chijioke Osakwe
- Setiawan Jati Laksono
- Sreenivas Nair
- Erwin Cooreman
- Sabera Sultana
- Lungten Zangmo Wangchuk
- Suwanand Sahu
