Health in the post-2015 development agenda

1 Sustainable Development Goal on health
   The Open Working Group proposed in July 2014: Goal 3; Ensure healthy lives and promote well-being for all at all ages; Health is also addressed in other goals

2 World Health Assembly resolutions on the post-2015 development agenda were adopted in 2013 and 2014

11 global thematic consultations
   A Global Consultation on health took place between October 2012-March 2013, culminating in a high-level meeting in Botswana (co-convened by the Governments of Botswana, Sweden, UNICEF and WHO)

6 WHO regions discussed the role of health in the post-2015 development agenda during 2014
