

EB57.R30 Prevention of road traffic accidents

The Executive Board,

Having considered the report of the Director-General on prevention of road traffic accidents, and the activities undertaken by WHO in collaboration with other organisations in this field,

1. NOTES the report; and
2. REQUESTS the Director-General to develop the Organization's programme in this field, taking into account the comments and suggestions of the Executive Board.

Handb. Res., Vol. II, 1.11.5.2 Twenty-second meeting, 27 January 1976
