CORRIGENDA

Page 29, section entitled "Noncommunicable conditions will cause over three quarters of all deaths in 2030"

Replace: "By 2030, deaths due to cancer, cardiovascular diseases and traffic accidents will collectively account for 30% of all deaths."

By: "By 2030, deaths due to cancer, cardiovascular diseases and traffic accidents will collectively account for 56% of the projected 67 million deaths due to all causes."

Pages 44–45, Table: Mortality and burden of disease, columns related to life expectancy at birth, infant mortality rate, under-5 mortality rate, and adult mortality rate

	Life expectancy at birth ^a (years)									Infant mortality rate ^a (per 1000 live births)
