WHO Global Dialogue on Partnerships for Sustainable Financing of NCD Prevention and Control

9-11 April 2018
Copenhagen
Introduction

- Convened in the lead-up to the High-Level Meeting
- Co-organized by WHO and the Government of Denmark
- Co-sponsors:
  - World Diabetes Foundation
  - IFPMA
  - NCD Alliance
  - World Economic Forum
- Mandate derived from GCM/NCD Work Plan (18-19)
Purpose

- Share information on existing and potential sources of finance and development cooperation
- Explore opportunities for multistakeholder, multisectoral partnerships
- Build on commitments of the 2030 Agenda for Sustainable Development and High-level Meetings on NCD Prevention and Control
Objectives

- Assess the progress made since 2011 in exploring the provision of funding for national NCD responses
- Explore traditional funding patterns through domestic, bilateral and multilateral channels, including international development cooperation
- Explore new financing streams
- Showcase concrete examples of mechanisms to mobilize resources and increase financing for national NCD responses
- Address new and emerging issues, and the synergies between financing SDG 3.4 and broader health systems strengthening efforts for Universal Health Coverage (UHC)
- Reinvigorate and strengthen the financing for comprehensive NCD prevention and control at global and national levels
Modalities

● 3 day meeting
  ○ Plenaries
  ○ High-level segment
  ○ Partnership fora
  ○ Parallel sessions

● 300 participants
  ○ Member State representatives
  ○ UN organizations
  ○ Development agencies
  ○ Non-state actors

● High level speakers include:
  ○ Crown Princess Mary of Denmark
  ○ Member of the High Level Commision on NCDs
Outputs

- The Global Dialogue report, which may serve as an input into the preparatory process leading up to the Third High-level Meeting on NCD Prevention and Control
- Press releases
- Web publications
- Copenhagen Call to Action
Expected Outcomes

● Greater understanding of the current NCD financing landscape
● Increased multistakeholder and multisectoral dialogue and communication on how to mobilize financing streams, as well as how to incentivize private sector to support national NCD responses
● Shared lessons and experiences on sources of sustainable finance and development cooperation
● Improved understanding of the synergies between financing NCD responses and broader health system strengthening efforts towards universal health coverage (UHC)
● Strengthened partnerships for accelerating action towards sustainable financing to support SDG 3.4
