

# Strategic Preparedness and Response Plan aims to:

Data as of 20 July 2020

- 1

Improve country preparedness and response
- 2

Accelerate research and development
- 3

Coordinate across regions to assess, respond and mitigate risks

## SHIPPED PPE TO 128 COUNTRIES

- 646 464 goggles
- 1.8 million gowns
- 5.5 million face shields
- 10.2 million respirators
- 2.1 million gloves
- 41.1 million medical masks

## SOLIDARITY TRIALS

- 3500 patients enrolled
- More than 100 countries joined
- >400 hospitals in 33 countries
- 166 candidate vaccines:
  - 24 in clinical evaluation
  - 142 pre-clinical evaluation

## PARTNERS PLATFORM

- 153 countries on-boarded
- 135+ countries active
- 108 national plans uploaded
- 102 checklists started/done
- 82 resource requests
- 600 donor contributions from 72 donors

## STRENGTHENED LABORATORY, TREATMENT CAPACITY AND BIOMEDICAL EQUIPMENT

Biomedical equipment procured, for allocation to 120+ countries:

- 14 000 oxygen concentrators
- 9700 pulse oximeters & consumables
- 4700 patient monitors

Diagnostics procured:

- 6 million polymerase chain reaction (PCR) tests
- 5.2 million sample collection kits

Supported the design and establishment of COVID19 treatment centres in 15 countries.

## R&D FOR TOOLS ACCESSIBLE TO ALL

Global launches with world leaders:

- [ACT-Accelerator](#): development and equitable access to:
  - Vaccines
  - Tests
  - Treatments
  - Health Systems connector
- C-TAP: Technology Access pool

## EXPERTS DEPLOYED WORLDWIDE

- >180 Emergency Medical Teams, incl.
  - 33 international missions
  - 46 national surge capacity
- >676 national 'EMT-method' teams mobilized

## GUIDANCE AND TRAINING

- 140 technical guidance documents
- >65 000 WHO Academy app users
- [OpenWHO platform](#):
  - 108 courses
  - 13 topics
  - >36 languages
  - >3.9 million enrolments

## COMBATING MISINFORMATION

Collaboration with 50+ digital companies and social media platforms to combat misinformation and promote science-based health messages globally, including:

- Facebook
- Google
- WhatsApp
- Viber
- Youtube
- Tinder
- Governments

## EPI-WIN NETWORK FOR EPIDEMICS

- 60 technical webinars
- 287 expert panelists
- >13 500 participants
- >120 countries and territories
- 460 organizations

## GLOBAL PARTNERSHIPS AND MULTISECTORAL COLLABORATION – WHO is working with

- International Federation of the Red Cross (IFRC), International Organization for Migration (IOM) and UN High Commissioner for Refugees (UNHCR) on guidance for asylum seekers, displaced persons and refugees
