##### B. Addendum to Agreement

Subject: AGREEMENT FOR PERFORMANCE OF WORK (APW)

Reference Number: APW contract # [number and date]

The following changes shall constitute an integral part of the Agreement for Performance of Work between the World Health Organization and [name of the contractor]:

1. General Condition 2 shall be deleted and replaced with the following wording:

*"All rights in the work produced by the contractor under this APW shall be vested in the contractor. The contractor herewith grants to WHO a perpetual and irrevocable, non-exclusive, world-wide, royalty-free, sub-licensable license to use the work, or parts thereof, in any manner, any form and format, and for any purpose WHO may deem appropriate (including, but not limited to, the right to use - or not to use -, reproduce, change, revise, print, adapt, distribute, abstract, analyze, display on-line, communicate, transmit, license*

*and translate world-wide), without any obligation on WHO's part to make any additional payments to the contractor or to any other party whatsoever."*

2. General Condition 5 shall be amended by adding the following at the end:

*"The contractor shall deliver data and/or results of the work to WHO in real time or at periodic intervals through a common data management platform or, in the case that this is not possible, data and results of the work will be shared with WHO at the end of the project period. No personal identifying information shall be shared with WHO."*

3. A new General Condition 20 shall be added with the following wording:

*"In any publication by the contractor relating to the results of the work, the responsibility for the direction of the work shall not be ascribed to WHO. Any personal identifiers or proprietary information in the data/results of the work shall be safeguarded and not made public. Unless WHO advises otherwise, all publications shall include a notice indicating that the underlying investigation received financial support from WHO. In this regard, all publications resulting from work supported under this Agreement shall include a footnote stating: "This investigation received financial support from the Health Emergencies Department of the World Health Organization. The author(s) alone is/are responsible for the views expressed in this publication and they do not necessarily represent the views, decisions or policies of WHO". Two off-prints or copies shall be sent to WHO unless another number is stipulated. WHO funds may not be used for publication costs unless specifically authorized. The contractor agrees to follow International Committee of Medical Journal Editors (ICMJE) Recommendations for the Conduct, Reporting, Editing and Publication of Scholarly Work in Medical Journals and WHO's policy on open-access, available at the following link: <http://www.who.int/about/policy/eng>. If any open-access fee is payable with respect to publication of the manuscript in the relevant journal, the contractor shall be responsible for paying the applicable fee, and no responsibility shall attach to WHO in that regard."*

All the remaining terms and conditions of the Agreement for Performance of Work remain unchanged and in full force and effect.
