Travel and transport

Arrival

Ninoy Aquino International Airport (NAIA) is the main international gateway to the Philippines. The airport has four terminals (depending on the carrier) located between the neighbouring cities of Pasay and Parañaque, about eight kilometres from the hotel.

WHO will assist representatives upon arrival at NAIA and will provide transport to the designated hotel. The drive to the Hotel takes 20 to 30 minutes (depending on traffic). Representatives should proceed to the International Organizations Desk after clearing Customs at NAIA in terminals 1 and 3. For assistance at Terminal 2, please proceed to the Public Information Counter, located at the arrival lobby after Immigration and Customs.

Representatives who do not notify WHO of their arrival time should take only official airport taxis. Representatives may request assistance from staff at the airport to get an airport taxi service to transport them safely to the hotel. The official yellow airport metred taxis are available in front of the main arrival area. The fare is 70 pesos (flag-down rate) plus four pesos for every 300 metres. The fare to the hotel should be about 400 pesos. Fares may increase due to the traffic. If a driver refuses to turn on the metre, get out and board another taxi. Report the incident to airport security if possible.

For easier identification upon arrival at the airport, representatives are requested to wear lapel labels supplied by WHO. WHO luggage tags should also be affixed to their luggage.

Representatives must send their arrival and departure details to the Regional Committee Secretariat (wprorcmhotel@who.int) in order to have airport transport arranged. Any change in arrival and departure details should be communicated immediately to the Secretariat for transport support and other arrangements.

Departure

Representatives will be provided transportation from the Diamond Hotel to NAIA for departing flights.

Upon reconfirmation of flights, travellers will be provided with a transport flier indicating arrangement for transport to the airport.
Banking facilities

Foreign currency can be exchanged at the airport, banks and exchange desks of the Hotel. International credit cards are accepted at most tourist establishments.

Banks and ATMs are available at the airport offering different currency exchange facilities. Currency exchange booths at NAIA Terminal 3 are located at the arrival area and departure level. More currency exchange booths can be found at the arrival area.

An ATM is also accessible at the Diamond Hotel. The Banco de Oro (BDO) and Bank of the Philippine Islands (BPI) are within a three-minute walk from the Hotel.

Statements

Member States are strongly encouraged to limit interventions to three minutes (300 words or less). A timer will show on screen during each intervention, and delegates will be reminded once three minutes have elapsed. In addition, Member States are requested to designate speakers and submit their names along with the agenda items referenced in their interventions before 14 October to WPRCMenquiry@who.int. This will help ensure the inclusion of more speakers, especially Member State representatives joining separately from their delegations via different connections.

To ensure high-quality interpretation and record keeping, Member States are requested to send in advance the statements/interventions they plan to make to wprorcm@who.int. Written copies of oral statements assist the Secretariat in developing the timely summary of the meeting. Again, please note that three-minute-long spoken statements should not exceed 300 words in writing.
