World Allergy Organization (WAO) is an international coalition of 77 regional and national allergy and clinical immunology societies.
WAO’s mission is to be a global resource and advocate in the field of allergy, advancing excellence in clinical care through education, research and training as a world-wide alliance of allergy and clinical immunology societies.
Individual Membership

All active members of dues-paying Member Societies are Individual Members of the World Allergy Organization (WAO)
Monthly E-Letter: WAO News & Notes includes:

Monthly Reviews
- Medical Journal Reviews
- Allergy Book Reviews

WAO Updates include news on:
- GLORIA™, World Allergy Forum and other WAO Educational Programs
- Congress announcements and deadlines
- Upcoming worldwide allergy meetings
- New medical content and educational synopses
- WAO Research Fellowships & Travel Grants

Translated into 7 languages: Arabic, Español, Chinese, Japanese, Polish, Português, Russian

Ask the Expert
Receive answers to your most difficult questions regarding allergy and immunology from globally renowned experts. Individual members of WAO now have the opportunity to post their questions in the new Members Only section of the website. The questions will be answered by an expert from the WAO Web Editorial Board or WAO Board of Directors.
