Protocol ID: RPC651
Protocol Title: Multidrug-Resistant Organisms (MDROs) in Health Care
Version: 1.0 Dated: 18/02/2014
WHO Responsible Staff Member: Allegranzi,B.
Responsible Unit: IER/PSP

This project with complete documentation submitted to the Secretariat on 19/02/2014 was exempted from review. The comments from the Secretariat are given below:

1. The data (health-care records and specimens) being studied already exist and will be recorded by the investigator in such a manner as to be unidentifiable by the investigator or any member of the research team.

Chairperson: Melba Gomes
Date: 4.3.2014

NOTE
Any changes to the proposal or to the attachments (informed consent/ questionnaires etc.) should be approved by ERC before being implemented.
