Role of regional networks and how to support countries in using diagnostics to engage health and finance authorities

Dr Laurent MUSANGO
Connecting health and finance authorities

HIGH LEVEL DIALOGUE BETWEEN MoH and MoF

AfDD/WB and MoF and planning

WHO and MoH

ILO and MoLabour and Social Affairs, and Health Insurance agencies
We recommend to intensify dialogue and collaboration between our respective ministries and with technical and financial partners.
Target of Policy dialogue on VfM

• **Targets:**
  • Technical level: directors of health planning and health services from MoH, MoF, education, CSOs, and heads of budget from ministries of finance
  • Political level: Ministers of Health and Finances.
  • Advocacy and communication level: national parliamentarians and media from the education and social affairs commissions.

• **Themes of discussions:**
  • Key challenges and share knowledge and best practices in implementing strategies that improve value for money;
  • Improve dialogue and effectively role to be play by key stakeholders (finance, health, education, and CSOs) in ensuring value for money; and
  • Identify areas of in-depth capacity building and continued learning on improving value for money;
Thank you!
