Working Together for Health: A National Strategic Framework for Health and Social Care Workforce Planning in Ireland

4th Global Forum on HRH Track Session, 15th November 2017
Programme and Panel

- 'Working Together for Health: A National Strategic Framework for Health and Social Care Planning' (Ms Teresa Cody, Department of Health, Ireland)
- Good Practice in Social Dialogue (Ms Christiane Wiskow, International Labour Organization)
- Implementing the Framework at Sectoral Level: A Health Sector View (Dr Philippa Ryan Withero, Health Service Executive, Ireland)
- Implementing the Framework at Inter-Sectoral Level: A View from Education (Ms Mary Doyle, Department of Education and Skills, Ireland)

Moderator: Gabrielle Jacob, Department of Health, Ireland
Questions

• What do we need to attend to, at national level, in implementing inter-sectoral strategic workforce planning approaches?
• What are the critical success factors in early implementation of strategic workforce planning approaches?
• What are possible key measures of success in the short (1-3 years) and medium (5 years) term?
• What existing regional / global reporting mechanisms can be utilised to share national level experiences of implementing strategic workforce planning approaches?
