Comprehensive audit rating = Satisfactory
WHO/UNFPA Prequalification Programme

- Prequalification programmes started in 2001 (WHO’s normative and standard setting role)
- In 2005 WHO delegated UNFPA to manage the prequalification of condoms and intrauterine devices
- UNFPA aims to evaluate all suppliers that express interest
Prequalification of Condoms and IUDs

• Ensure high quality commodities

• Access to low cost devices that meet WHO/UNFPA specifications and guidelines as well internationally acceptable quality standards

• Harmonize quality standards through in global procurement

• Ensure safety and efficacy throughout shelf life

UNFPA

PROCUREMENT & LOGISTICS PARTNERSHIPS IN HEALTH

2017
UNFPA procurement activities with other UN partners

• A consistent effort since 2011 to harmonize and collaborate, seeking more efficient processes, strengthened procurement practices, and lower costs for all participating Agencies across products, services, and sectors

• UNICEF
  • Hospital furniture, QA Inspection services, Freight Forwarding services
  • Sharing of outcomes of inspection & technical assessment reports

• UNDP, UNOPS and other Agencies:
  • Cargo Insurance services, travel management services, medical devices, pharmaceuticals, language training, vehicle procurement
UNFPA Collaboration with other organizations

UNFPA and The Global Fund have signed an agreement to offer male condoms, female condoms and lubricants to TGF Principal Recipients (PRs).

Objective
- To provide access to quality assured, competitively priced RH commodities

UNFPA will be featured on TGF new online tool, wambo.org, a global marketplace for PR and suppliers of life-saving medicines and health-related commodities.

Launch date: October 2016
UNFPA
Delivering a world where every pregnancy is wanted, every childbirth is safe and every young person’s potential is fulfilled
