  - 18.5%

Human resources for mental health:
- Total number of mental health professionals (gov. and non-gov.):
  - 79
- Total mental health workers per 100,000 population:
  - 27.39
- Total number of child psychiatrists (gov. and non-gov.):
  - 8

Mental health workforce (rate per 100’000 population):
- Psychiatrists 1.64
- Child psychiatrists 0.27
- Other specialist doctors 1.13
- Mental health nurses 10.42
- Psychologists 0.79
- Social workers 0.27
- Speech therapists 0.51
- Other paid mental health workers 10.11

MENTAL HEALTH SERVICE AVAILABILITY AND UPTAKE

Outpatient care (total facilities):
- Mental health outpatient facilities attached to a hospital: 1
- “Community-based / non-hospital” mental health outpatient facility: None or not reported
- Other outpatient facility (e.g. Mental health day care or treatment facility): 1
- Outpatient facility specifically for children and adolescents (including services for developmental disorders): 1
- Other outpatient services for children and adolescents (e.g. day care): None or not reported

Outpatient care (per 100,000 population):
- Number of visits made by service users in the last year in mental health outpatient facilities attached to a hospital: None or not reported
- Number of visits made by service users in the last year in “Community-based / non-hospital” mental health outpatient facility: None or not reported
- Number of visits made by service users in the last year in other outpatient facility (e.g. Mental health day care or treatment facility): None or not reported
- Number of visits made by service users in the last year in outpatient facility specifically for children and adolescents (including services for developmental disorders): None or not reported
- Number of visits made by service users in the last year in other outpatient services specifically for children and adolescents (e.g. day care): None or not reported

Inpatient care (total facilities):
- Mental hospitals: None or not reported
- Psychiatric units in general hospitals: 2
- Forensic inpatient units: None or not reported
- Residential care facilities: None or not reported
- Inpatient facility specifically for children and adolescents: None or not reported

Inpatient care (per 100,000 population):
- Number of inpatients in mental hospitals (per 100,000 population): None or not reported
- General hospital psychiatric unit beds / annual admissions: 2.71
- Forensic inpatient unit beds / annual admissions: None or not reported
- Residential care beds / annual admissions: None or not reported
- Child and adolescent specific inpatient beds / annual admissions: 0.1

Treated prevalence (total cases):
- Treated cases of severe mental disorder: 27,417

MENTAL HEALTH PROMOTION AND PREVENTION

Existence of at least two functioning programmes:
- None or not reported
- Existence of a suicide prevention strategy [i.e. as a stand-alone document or as an integrated element of the national policy/plan adopted by government]:

Programme example:
- Mental health and Suicide Prevention
- Programme Assistance for Survivors of Torture and Trauma

Category of programme:
- Mental health awareness/prevention/anti-stigma
- Other (e.g. refugees)

Scope of programme:
- National
- Government

Programme Management:
- Scope not reported
- Programme management not reported

Notes:
- Income group is based on World Bank income groups, 2016 (http://databank.worldbank.org)
- Scope of programme is based on data from national and/or international mental health reports.
- In case a mental health workforce appears as 0.0, it has either not been reported by the Member State or is zero.
