Closing Remarks
H.E. Guillermo E. Rishchynski, Permanent Representative of Canada to the UN

***

Every Woman Every Child is an unprecedented global movement, spearheaded by UN Secretary-General Ban Ki-moon, to mobilize and intensify global action to improve the health of women and children around the world. Working with leaders from governments, multilateral organizations, the private sector and civil society, Every Woman Every Child aims to save the lives of 16 million women and children and improve the lives of millions more.
