3RD GLOBAL MINISTERIAL CONFERENCE ON ROAD SAFETY

ACHIEVING GLOBAL GOALS | STOCKHOLM 19-20 FEB 2020
Why a global conference?

• The conference marks the end of the UN Decade of Action for Road Safety 2011–2020 and the starting point for continued collaboration on road safety

• The conference will be an important opportunity to reflect upon progress achieved during the Decade of Action for Road Safety and the SDG goal 3.6

• The aim is to reach global consensus on guidelines for continued international collaboration on road safety up to 2030
ACHIEVING GLOBAL GOALS 2030
Invitations

• Invitations have been sent out

• We expect around 1 500 delegates, including minister-led delegations from more than 80 countries

• Target audience is:
  • Minister-led delegations from UN member states,
  • Representatives from United Nations agencies
  • Representatives from civil society, academia, cities and the private sector

• Participation is by personal invitation only
Invitations to the ministers

- Distributed through the Swedish embassies
- Addressed to the minister with main responsibility for road safety
- Country delegations: we encourage to include representatives of sectors such as transport, internal affairs and health.
- Given the profound impact of road traffic crashes on young lives, we also invite delegations to include a youth road safety advocate.
- Efforts will be made to ensure that all ministers have the opportunity to speak at the conference
Our four international stakeholder groups

**Steering Committee**
- Strategic support and working group
- Operational support – completing the programme, drafting the declaration

**High level consultative group**
- Strategic support
- Representatives from academia, private sector, NGOs and cities

**International Advisory Committee**
- Strategic support
- Representatives from countries and UN institutions

**Academic expert group**
- Researchers and experts in road safety
- Independent evaluation of the Decade of Action for Road Safety and recommendations until 2030
The draft program – Day 1

**WEDNESDAY 19 FEBRUARY 2020**

The Stockholm Declaration

• Aims to strengthen the commitment to achieve global goals by 2030 and emphasize our shared responsibility

• Forward-looking towards 2030, focusing on action and delivery how can we reach our global targets

• Will clearly connect road safety to Agenda 2030 and interdependencies between the SDGs and road safety

• Builds on the Moscow Declaration (2009) and Brasilia Declaration (2015) and prior UN General Assembly and World Health Assembly resolutions

• Builds on recommendations from the independent Academic Expert Group
The Stockholm Declaration

• The declaration will not go through a formal member state negotiation

• Ambition to continue this work in the United Nations General Assembly

• The draft declaration has been sent to all the representations and international reference groups

• Deadline for comments is 29 November (COB)

• Public consultation online (conference website) from December to January
