Operational Organisation

• A **steering committee** composed of experts shall be set up at the initiative of the Management Board. He is involved in defining the association’s strategies and programs.

• To design and carry out its projects, the association is structured in **project committees**, defined by the rules of procedure. Each committee is set up by the board of directors. As part of the association’s budget, each committee has a specific account.

• Any active member may be appointed as a **delegate of the Alliance Francophone pour la Sécurité Routière** under the conditions defined by the rules of procedure.
That the membership to the Alliance brings

• The translation into French of documents published in another language and interesting for members
• The labelling of programs
• Promoting actions at the United Nations and other international fora
• Expert advice and technical assistance
• Resources of the World Film Centre
• Relationships in an international network of creative and productive actors
• Invitation to participate in international and global regional events
AFFILIATION

• **Active members** are natural or legal persons who pay a membership fee and have the right to vote at general meetings; the amount of dues is fixed each year by the general meeting.

• **Associate members** are natural or legal persons who adhere to the Paris Declaration.

The amount of contributions is set in euros, based on:

• the legal nature of the member (natural or legal person),
  public or private sector (PSO), civil society (CSO),
• of the IDH (Human Development Index) of his country
  published by the UNDP
