Weather
Please refer to this link for weather in Europe and Switzerland:
http://www.meteosuisse.admin.ch/web/fr.html

Banks
Besides many cash machines, "Bureaux de Changes", which are often located close to railway-stations, airports and hotels, banks can be found all over the city. Many banks open until the evening on working days.

Currency
Local currency is Swiss Francs (CHF). Euro (EUR) is the currency in France and is also accepted at restaurants and shops in Switzerland. It is advisable to change money into local currency.

Electricity
Electric sockets in Geneva carry 220 V and conform to the standard European continental type. Travel adaptors may be useful for electric appliances with other standards.

Participants are reminded smoking is not permitted in any WHO buildings.

Take the utmost precautions with all personal property. WHO will not be responsible for the loss of personal objects left unattended at meetings.
