* Districts may be overlapped, as more than one model is implemented in a district
PPM Scale up Plan

• Evaluation of ongoing PPM models

• Sustain and expand coverage in private sector through public sector and Global Fund rounds

• PPM for DR-TB, TB/HIV and ACSM

• Develop National M & E Plan to collect disaggregated data from Private sector
Technical Assistance Required

• Technical Support for the Development of M & E system for PPM

• Third Party evaluation of various PPM models

• Technical Support in new areas of PPM; for example PPM for DR-TB and PPM for TB/ HIV
