FIRST WHO GLOBAL MINISTERIAL CONFERENCE
ENDING TUBERCULOSIS IN THE SUSTAINABLE DEVELOPMENT ERA: A MULTISECTORAL RESPONSE
16 - 17 NOVEMBER 2017, MOSCOW, RUSSIAN FEDERATION

OVERVIEW PRESENTATION
Tuberculosis is the leading infectious killer

Current actions and investments are falling far short

KEY TB FACTS

1.8 MILLION TB DEATHS INCLUDING 0.4 MILLION TB DEATHS AMONG PEOPLE WITH HIV*

TB was one of the top ten causes of death worldwide
TB was responsible for more deaths than HIV and malaria

MDR-TB crisis with gaps in detection and treatment
Only 1 in 5 needing MDR-TB treatment were enrolled on it

Funding shortfall for TB implementation
Gap of over US$1 billion per year for TB research

World Health Organization

END TB
The WHO Global Ministerial Conference “Ending TB in the Sustainable Development Era: A Multisectoral Response” aims to accelerate implementation of the WHO End TB Strategy - with immediate action addressing gaps in access to care and the MDR-TB crisis - in order to reach the End TB targets set by the World Health Assembly and the United Nations (UN) Sustainable Development Goals (SDGs) through national and global commitments, deliverables and accountability. The Ministerial Conference will inform the UN General Assembly High-Level Meeting on TB in 2018.
Top outcome areas and thematic tracks

**EIGHT THEMATIC TRACKS**
Based on the SDG agenda and the UNGA high level health themes

1. Universal Coverage of TB Care and Prevention
2. Sustainable Financing for TB, UHC and Social Protection
3. Respect for Equity, Ethics and Human Rights
4. Scientific Research and Innovation
5. Monitoring and Evaluation of Progress
6. Action on AMR, Health Security and MDR-TB
7. Stepped-Up TB/HIV Response
8. Synergies Across the Responses to TB and Noncommunicable Diseases

**TOP OUTCOME AREAS**

- Increased and Sustainable Financing
- Advancing TB Response Within Universal Health Coverage, AMR and SDG Agendas*
- Scientific Research and Innovation

*This outcome area also encompasses actions on: Equity, ethics and human rights; AMR, health security and MDR-TB; TB/HIV response; and synergies across the responses to TB and noncommunicable diseases.
All 194 Member States invited (Ministers of Health and other Ministers)

List of Member States for which travel support is available

- **40 TB and MDR-TB highest burden countries**, according to the WHO Global Tuberculosis Report 2016, will be supported by WHO headquarters with financing provided by the Russian Federation.
- **18 additional priority countries** identified by the WHO regional offices will be supported with financing of regional offices.

WHO will cover travel expenses of two high-level representatives from each Member State listed below.

WHO Global TB Symposium, Union World Conference on Lung Health

Launch of Global TB Report 2017
21. Takes note of the initiative to hold, in Moscow in November 2017, a global ministerial conference on the fight against tuberculosis in the context of public health and the Sustainable Development Goals;

22. Decides to hold a high-level meeting in 2018 on the fight against tuberculosis, and requests the Secretary-General, in close collaboration with the Director-General of the World Health Organization and in consultation with Member States, as appropriate, to propose options and modalities for the conduct of such a meeting, including potential deliverables, building on existing efforts in this regard;
