The path to the 2030 agenda for sustainable development

- **2030 agenda**
- **Negotiations**
- **OWG**
- **Consultations**

- **Post-2015 Process**
- **Rio+20**
- **MDGs**
Transforming our World: The 2030 Agenda for Sustainable Development

• Preamble
• Declaration
• Sustainable Development Goals and Targets
• Global Partnership and Means of Implementation
• Follow up and Review
Preamble

Sustainable Development

PEOPLE
End poverty and hunger in all forms and ensure dignity and equality

PLANET
Protect our planet’s natural resources and climate for future generations

PARTNERSHIP
Implement the agenda through a solid global partnership

PEACE
Foster peaceful, just and inclusive societies

PROSPERITY
Ensure prosperous and fulfilling lives in harmony with nature
Declaration

The political declaration stipulates the **vision** of the agenda and its underlying principles:

- **Universality**: The goals and targets are applicable to all countries: Developing, emerging economies as well as developed countries

- **Integrative character** of the three dimensions of sustainable development (economic, social and environmental)

- **Multi-stakeholder-Approach**: all actors in line with their capacities have a shared responsibility to implement the agenda

- **Transformative**: Sustainability shall be the new principle of all actions
The goals of the 2030 agenda for sustainable development

• List of goals corresponds with proposal of Open Working Group
• 17 goals (sustainable development goals) and 169 targets
• Reflect the complexity of our reality
1. End poverty in all its forms everywhere

2. End hunger, achieve food security and improved nutrition and promote sustainable agriculture

3. Ensure healthy lives and promote well-being for all at all ages

4. Ensure inclusive and equitable quality education and promote lifelong learning opportunities for all

5. Achieve gender equality and empower all women and girls

6. Ensure availability and sustainable management of water and sanitation for all
7. Ensure access to affordable, reliable, sustainable and modern **energy** for all

8. Promote sustained, inclusive and sustainable **economic growth**, full and productive employment and decent work for all

9. Build resilient **infrastructure**, promote inclusive and sustainable industrialization and foster innovation

10. Reduce **inequality** within and among countries

11. Make **cities** and human settlements inclusive, safe, resilient and sustainable

12. Ensure sustainable **consumption and production patterns**
13. Take urgent action to combat **climate change** and its impacts

14. Conserve and sustainably use the **oceans**, seas the oceans, seas and marine resources for sustainable development

15. Protect, restore and promote sustainable use of **terrestrial ecosystems**, sustainably manage forests, combat desertification, and halt and reverse land degradation and halt biodiversity loss

16. Promote **peaceful and inclusive societies** for sustainable development, provide access to justice for all and build effective, accountable and inclusive institutions at all levels

17. Strengthen the means of implementation and revitalize the **global partnership** for sustainable development
Means of Implementation and the Global Partnership

- Foundation to implement the agenda is a strengthened Global Partnership
- The Addis Ababa Action Agenda (AAAA) represents an integral part of the 2030 agenda
- Acknowledgment of national responsibility for development
Follow-up and Review

Follow-up and review processes:

- will track progress in implementing the universal Goals and targets
- will be voluntary and country led
- will be open, inclusive participatory and transparent and will support the reporting by all relevant stakeholders

Follow-up and review at the regional and sub-regional levels can provide useful opportunities for peer learning

The Goals and targets will be followed-up and reviewed using a set of global indicators
High Level Political Forum on Sustainable Development (HLPF)

- The **High Level Political Forum on Sustainable Development (HLPF)** will have a central role in overseeing a network of follow-up and review processes at the global level.

- The HLPF is open to all Member States of the United Nations and States members of specialized agencies.

- The HLPF meets:
  - Every four years at the level of Heads of State and Government under the auspices of the General Assembly.
  - Every year under the auspices of the Economic and Social Council (ECOSOC).

- The Secretary General is requested to prepare a report which outlines critical milestones towards coherent efficient, and inclusive follow-up and review at the global level.
Interagency and Expert Group on SDG Indicators (IAEG-SDG)

• On 6 March 2015, the United Nations Statistical Commission (UNSC) established the **Inter-agency and Expert Group on SDG Indicators (IAEG-SDGs)**

• It is composed of 28 Member States, all other countries and international organizations are observers

• Non-governmental organizations, civil society organizations and organizations participating in the Major Groups have contributed their inputs on the current draft indicators

• 2\(^{nd}\) meeting of the IAEG-SDGs on 26-28 October 2015, Bangkok

• The IAEG-SDGs will provide a proposal of a list of indicators for by the Statistical Commission in March 2016
Next steps within the process

• Adoption of the 2030 agenda for sustainable development at UN-Summit of Head of States and Governments from 25.-27.09.2015 in New York

• International processes
  i. Operationalising the HLPF Review
  ii. Process of drafting indicators for the SDGs

• Implementation in all countries
Thank you for your attention!
