## UZBEKISTAN

### Reference no 5520

**General Notes:** Multi-stage stratified sampling; representative for administrative units, now weighting by population for national figure; 10 children selected from each of 30 schools in each of the 14 administrative units.

**Line note 1** UI median calculated from 4311 samples, information provided by UNICEF.

### Reference no 570

**General Notes:** Sample comprised SAC and adults from 13 provinces and Tashkent city.

**Line note 2** Sample size not confirmed.
