Title

The strengthened African Platform on Human Resources for Health (APHRH); – A business Meeting

Organiser

African Platform on Health Resources for Health (APHRH)

Objective

The forum presents a unique opportunity for the APHRH members and stakeholders to consult and re-dedicate themselves to the objectives of the APHRH. The Bangkok meeting of January 2011 identified the need for complementary activities and an interim Steering Committee was established. The task force was mandated to act and report to the participants as well as stakeholders as soon as possible. Intense consultations across a wide range of key stakeholders followed to engage stakeholders and strengthen the APHRH. The update and sharing of ideas and experiences as well as receiving input from stakeholders on expectations and the work of the platform will be conducted through a plenary and open discussion at this side event.

Outcome

Convene and strengthen the momentum of stakeholders and members to actively participate in giving effect to the mission of the platform; Consider and gain consensus for approval of the Platform work plan priorities for the next three years.
